

New Product Introduction

Boyd Build-Out Kit

Fits 50" Allusion Platinum Linear Electric Fireplaces

Series Overview

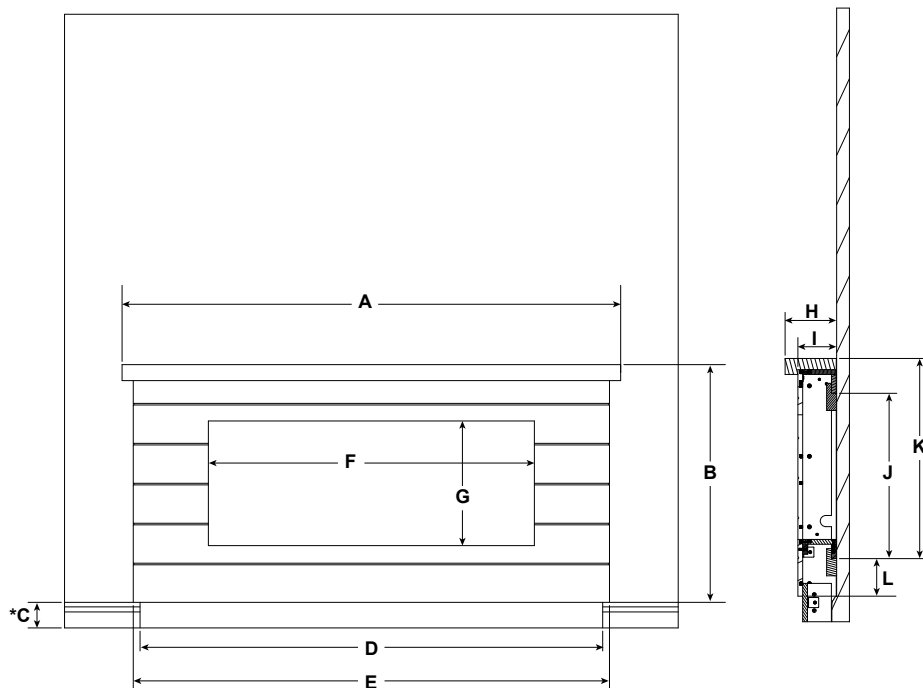

The non-structural Boyd Build-Out Kit delivers the appearance of a built-in electric fireplace without the need for construction. What you'll love about the Boyd Kit is the built-in look without any messy construction. Choose modern Farmhouse white shiplap or a ready-to-finish model. Accommodates SimpliFire 50" Allusion Platinum electric fireplace.

Product Features

- Accommodates SimpliFire 50" Allusion Platinum electric fireplace only
- Set-in-place solution delivers the appearance of a built-in electric fireplace without the need for construction
- Removeable fireplace mantel supplies easy access to fireplace power
- Adjustable toe-kick may sit on the floor or be eliminated for a floating appearance
- Two finish styles: Modern Farmhouse features painted white shiplap; ready-to-finish model is ready to accept paint and stain to match your decor
- Arrives flat for quick and easy set-up
- Installation may be completed in as little as two hours by one person
